# INDEX

**T**here are two parts to the 2009 *Mortgage Banking* index: AUTHOR/TITLE and SUBJECT.

All articles for 2009 are listed in the AUTHOR/TITLE section according to the author's last name and by the first word of the article's title.

The SUBJECT section lists all the articles alphabetically by title under the appropriate heading(s). (Most articles appear under more than one subject heading.)

The following is a list of the subject headings to assist you in your research. Check here first to determine which heading your topic of interest is most likely to be under and then refer to that part of the SUBJECT index.
